

1                    **DECLARATION OF SOLE INVENTOR FOR PATENT APPLICATION**

2                    As the below named inventor, I hereby declare that:

3                    My residence, post office address and citizenship are as stated  
4                    below next to my name.

5                    I believe I am the original, first and sole inventor of the subject  
6                    matter which is claimed and for which a patent is sought on the  
7                    invention entitled: Microelectronic Device Fabricating Method, Integrated  
8                    Circuit, and Intermediate Construction, the specification of which is  
9                    attached hereto.

10                  I hereby state that I have reviewed and understand the contents  
11                  of the above-identified specification, including the claims.

12                  I acknowledge the duty to disclose information known to me to be  
13                  material to patentability as defined in Title 37, Code of Federal  
14                  Regulations §1.56.

15                  **PRIOR FOREIGN APPLICATIONS:**

16                  I hereby state that no applications for foreign patents or inventor's  
17                  certificates have been filed prior to the date of execution of this  
18                  declaration.

19                  I hereby declare that all statements made herein of my own  
20                  knowledge are true and that all statements made on information and  
21                  belief are believed to be true; and further that these statements were  
22                  made with the knowledge that willful false statements and the like so

EL 465782877

1 made are punishable by fine or imprisonment, or both, under  
2 Section 1001 of Title 18 of the United States Code and that such willful  
3 false statement may jeopardize the validity of the application or any  
4 patent issued therefrom.
